Yes, the crews will process and clean the entire area. This is more than likely why the council office asked for the extended area.

Much Appreciated,

Hello,

Just wanted to point out that 190305001 was signed by all three parties and is fully authorized for today's clean-up.

I noticed that the second CD 11 priority, 190212013 for 3755 Globe, extends the clean-up boundary further up Globe. Many of the folks staying at the underpass have gotten used to the normal boundaries, and store their things on Globe during the clean-up on Venice. Will they still be allowed to do this today, or will anything stored on Globe be processed concurrently with the clean-up on Venice?
